Dear Ms. Taylor:

Thank you for providing International Finance Corporation (IFC) with the Ombudsman Assessment Report regarding Eco Oro Project (#27961) in Colombia.

We appreciate your team's efforts in conducting the assessment. We understand CAO offered the complainants to engage in a CAO-convened dispute resolution process and that this offer was rejected.

IFC remains in any event committed to work closely with your office in any way it can.

Sincerely,

Vincent Gouame  
Director

Global Infrastructure and Natural Resources
